

EVE GLOBAL SOLUTIONS

COMPANY PROFILE

PRECISION BUILT. DELIVERED.

01 — About us

WHO WE ARE

Eve Global Solutions is a trusted partner for end-to-end engineering and fabrication. From metal fabrication and fiber-laser cutting to house construction, renovation, and fine woodwork — we build with care and accuracy.

We blend modern technology with skilled hands to deliver reliable solutions for industrial, commercial, and residential projects across Malaysia and beyond.

OUR VISION

Build With Precision.

Our vision is to build with precision and care, combining smart technology, engineering know-how, and hands-on skill to create durable, high-quality solutions for every client.

OUR MISSION

Lead the Region.

To be the leading regional provider of integrated engineering, fabrication, and construction — driven by innovation, trusted for workmanship, and customer satisfaction.

WHY CHOOSE US

COMMITTED TO YOU, EVERY STEP.

01

Quality You Can Trust

Every build is checked for precision, toughness, and refined finish. Smart tech + true craftsmanship.

02

Built on Precision

Every measurement verified, every cut consistent — from laser to final structure.

03

Driven by Innovation

Modern engineering, smart tools, and fresh thinking — smarter, faster, more efficient results.

04

End-to-End Service

Concept through fabrication and installation — one trusted partner for everything.
