OBJECT DESIGN & PRECISION FABRICATION — CAIRO

01 / ABOUT

RKN.STRUCTTM is a Cairo-based object design lab specialising in precision fabrication. We design and manufacture objects across metal, cement, glass, wood, and acrylic — for homes, commercial spaces, and brands — built by hand, in limited and custom runs.

We are open for B2B engagements — working with interior designers, architects, brand owners, and any business that needs precision objects designed and fabricated right.

03 / PROCESS

01 BRIEF (1-2 days) → **02 DESIGN**, CAD + renders, your approval (3-7 days) → **03 FABRICATE**, in-house in Cairo → **04 DELIVER**, packaged, aftercare available. Deposit to start production, balance due on delivery.

05 / WHY RKN.STRUCT

01 IN-HOUSE PRODUCTION — design, fabrication, finishing under one roof.

02 FAST TURNAROUND — streamlined in-house workflow, short lead times.

03 CAD + FABRICATION — concept to build in a single studio.

04 MULTI-MATERIAL EXPERTISE — metal, cement, glass, wood, acrylic.

05 SMALL PRODUCTION RUNS — one-off or limited batches, no minimums.

06 CUSTOM SOLUTIONS — every brief treated as bespoke, never templated.

07 CAIRO-BASED MANUFACTURING — local production, direct oversight.
